Additional Information

The striking V55 features a sleek and dynamic exterior profile coupled with an intelligent use of space and all the exceptional performance qualities synonymous with our V Class range. Featuring premium hand-crafted materials of the highest quality, the V55 is stylish without compromising practicality or usability. Fitted with a Seakeeper 9 gyro-stabiliser she offers a smooth and comfortable ride while cruising and stability at anchor too. Many, many options like tropical AC, joystick control and aftstation, upgraded generator, watermaker etc, etc. Contact us for all the details.

Accommodations

The interior accommodates up to 6 guests in three beautifully appointed cabins, including a master suite, a VIP cabin, and a twin guest cabin, each designed with premium materials and the highest attention to detail.

The open-plan saloon is bright and airy, offering panoramic views. The electric sliding roof opens up a large section of the saloon and in combination with the sliding doors and opening aftwindow the sensation is of an open dayboat when the weather conditions allow for it. The optional teak floor in the saloon allows for a seamless flow between indoor and outdoor living spaces. Interior woodwork is in Silver Oak. Combined with Element Symphony Paris carpetry the styling is very stylish and contemporary. Carrara white galley countertop. Bathroom vanity tops are Solid Surface White (satin finish) with thermo-formed basins and Koko White floors.

Engines

2 x Volvo D13-1000 (2 x 1000HP).

Volvo joystick control with low speed manoeuvring in 'docking mode' and steering at any speed in 'driving mode'.
